### **Part III DETAILED ACTION**

#### ***Allowable Subject Matter***

1. Claims 1-5, 29-31, 33-36 are allowed.

The following is a statement of reasons for the indication of allowable subject matter:

The primary reasons for the indication of the allowability of claims 1-5, 29-31, 33-36 are the inclusion therein, in combination as currently claimed, of the limitation of means for channeling water into said drainage interior portion while preventing water from tracking into said receptacle interior portion (for claims 1-5, 29-31, 33-35), and the cover assembly comprising a projection portion thereon to prevent tracking of said water into said receptacle interior portion (for claim 36).

The previously listed limitation is neither disclosed nor taught by the prior art of record, alone or in combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
